

INTRODUCE A BUSINESS. EARN ON EVERY PAYMENT.

20%

Simple, fair terms for people who know business owners who need more clients. Read in two minutes.

01	COMMISSION	You earn a share of every payment Scale Business HQ receives from a business you introduce, set by the total value of their project: 10% for \$500 to \$999, 15% for \$1,000 to \$1,999, and 20% for \$2,000 and up (the maximum). Projects under \$500 don't earn commission. Further projects started within 12 months of their first payment count too, each at its own rate.
02	WHEN YOU'RE PAID	Within 7 days of each milestone payment clearing. If a client pays in three stages, you're paid three times. Refunded amounts are not commissionable.
03	CASH OR WORK	Choose cash (Wise, PayPal or bank transfer, in your currency where possible) or the same value as work for your own business: a Google profile tune-up, website fixes, a landing page, review requests, an auto-reply or a LinkedIn refresh. Work credit doesn't expire. You're responsible for any tax due on cash payments.
04	WHAT COUNTS AS AN INTRODUCTION	A business is credited to you when you submit it through scalebusinesshq.com/partners , introduce us by message or email with me copied, or they name you when they first get in touch.
05	CREDIT WINDOW	Your credit lasts 6 months from the introduction. If they hire me in that time, the commission is yours. If two partners introduce the same business, the first recorded introduction wins.
06	NO CAP	There is no limit on how many businesses you introduce or how

07	YOUR CONTACT'S GIFT	Every business you introduce gets a free first piece of work before spending anything: a concept build if they need a website, or a short visibility check, follow-up review or outreach plan for other services.
08	REGULATED PROFESSIONS	If your profession doesn't allow referral fees (for example lawyers or therapists), tell me and I'll pass your commission to your contact as a discount instead. You never receive a fee.
09	HOW I APPROACH THEM	Only in the way you choose: you introduce us, I mention your name, or they're already expecting to hear from me. No pressure selling, ever.
10	FAIR PLAY	No self-referrals, no spam, and no promises on my behalf about prices or results. I may end a partnership that breaks these terms; commission already earned is still paid.
11	UPDATES	If these terms change, introductions you've already made stay on the terms they were made under.
